Rahab's Daughters is dedicated to rescuing, rehabilitating, and reintegrating survivors of human trafficking. We provide safe housing, vocational training, and essential counseling services across multiple states. Our efforts extend to both rescue and prevention, ensuring survivors have the resources they need to rebuild their lives.

Each year, during Super Bowl week, more than 10,000 women and children are trafficked. While sports fans celebrate, we intensify our efforts to combat trafficking at this high-risk event. Your sponsorship will directly support our year-round mission to rescue and restore survivors, helping them escape exploitation and reclaim their futures.

# THE BIG GAME

---

For the week leading up to the 2023 Big Game, the Rahab's Daughters team will be in Arizona to help fight human trafficking. Because of your help, we'll be able to spread awareness to the community about trafficking, as well as rescue survivors in Florida. We will also provide them with a safe place to leave the industry behind and start working towards accomplishing their life ambitions.

Each year, 30 volunteers help to achieve this goal. We are currently looking for sponsors to help aid us in this mission.

Your support will assist in providing:

- A 24-hour call center hotline team
- Hotel rooms for volunteers and rescues
- Training of Rahab's Daughters outreach mentors
- A team of psychologists and psychiatrists
- Rescue supplies
- Volunteer transportation and nutrition
- An opportunity to stop the demand at The Big Game
